Board of County Commissioners Meetings

Participate In Your Government!

Board of County Commissioners

The Board of County Commissioners is the legislative and governing body of Pinellas County. The seven-member commission is responsible for establishing policies to protect the health, safety and general welfare of Pinellas County residents.

Commissioners are elected to serve four-year staggered terms. Four are elected from single-member districts in which they must reside. Three are elected at-large, but

must reside in the geographic district they represent. Commission members take office two weeks after they are elected in general elections held every two years on the first Tuesday in November.

The board selects a Chairman to preside over the County Commission and a Vice Chairman to assume those duties in the absence of the Chairman. These appointments usually take effect in January.

What Your Commission Does

The Pinellas County Charter and Chapter 125.01 of the Florida Statutes establish the specific duties and powers of the Board of County Commissioners.

Exercising its legislative powers, the County Commission adopts ordinances and resolutions to establish policies and programs and to provide public services and facilities

primarily for the unincorporated areas of the county.

The County Commission considers major problems facing county government and guides the growth and development of the county in a manner that is consistent with public interest.

Where

Commission meetings are usually held in the fifth floor Assembly Room of the Pinellas County Courthouse (315 Court Street, Clearwater).

When

Regular commission meetings are generally held twice a month, usually but not always, on the first and third Tuesdays. The earlier meeting in the month normally begins at 9:30 a.m. (with the exception of the September meeting, which begins at 2 p.m.) with an Invocation, the Pledge of Allegiance, Presentations and Awards, Scheduled Public Hearings, Agenda and Citizens to be Heard Items.

The second meeting in the month is held in two parts. This meeting begins at 2 p.m. with an Invocation, the Pledge of Allegiance, Presentations and Awards, discussion of Agenda and Citizens to be Heard Items.

The commission reconvenes at 6 p.m. for Scheduled Public Hearings. Evening meetings are generally designated for zoning and land-use matters.

All Board of County Commissioners meetings are shown live (and replayed) on PCC-TV, and can be seen via streaming or archived video on the Pinellas County website, www.pinellascounty.org.

AGENDA

1 Scheduled Public Hearings

The public has a right to address the commission during items scheduled as advertised public hearings. In conducting public hearings, the commission will call for a staff presentation, followed by the applicant's proposal. The applicant will present his/her entire case, including rebuttal, within 20 minutes.

The commission will then invite proponents and opponents from the audience who have completed a **Public Hearing Comment Card** to speak regarding the issue. With the Chairman's permission, speakers may ask questions of the presenters involved or seek clarification of any issues discussed during the presentation. An individual who wishes to address the commission must fill out a **Public Hearing Comment Card**, submit it to staff at the Staff Table and be prepared to step before the commission when the Chairman calls his/her name. All decorum rules as outlined in the following *Citizens to be Heard* paragraphs apply during the public hearings. Individuals may speak for up to three minutes at the Chairman's discretion. Representatives of groups consisting of five or more individuals who are present during the public hearing may speak on behalf of the group for up to 10 minutes at the Chairman's discretion. To do so, the individuals must have waived their time to the representative by providing their information on the back of the **Public Hearing Comment Card**.

Citizens should be aware that if they decide to appeal any decision made at the meeting, they will need a record of the proceedings. It is advised that a verbatim record of the proceedings be made, including the testimony and evidence upon which the appeal is to be based. Records of all commission meetings are also available through Board Records, (727) 464-3458.

2 Citizens to be Heard

The commissioners have set aside time to listen to public comments about Pinellas County government, ensuring the individual's right to participate in a public meeting yet maintaining necessary decorum during that meeting. Each person who wishes to address the commission during *Citizens to be Heard* must complete a **Citizen Comment Card** and submit that card to staff at the Staff Table prior to speaking. Remarks may be up to three minutes at the Chairman's discretion.

Speakers will be called by name to address the commission. When called, each speaker shall approach the lectern and identify him/herself by name and name of city or neighborhood.

Speakers should make their comments concise and to the point and present any data or evidence they wish the commission to consider. All remarks should be addressed to the commission as a body and not to any one member. Speakers must be respectful of others' opinions and refrain from making personal attacks. Any person who becomes disorderly or who fails to confine remarks to the identified subject or business at hand shall be cautioned by the Chairman and given the opportunity to conclude his/her remarks in a decorous manner and within the designated time limits. Any person failing to comply as cautioned may be barred by the Chairman from making any additional comments during the meeting unless permission to continue or again address the commission is granted by the majority of the commissioners present.

If an individual is declared out of order, he/she may be requested to leave the lectern and may be subject to physical removal from the Assembly Room.

Signs, Placards and Banners: Signs or graphic displays of any kind shall not be allowed in the County Commission meeting rooms except in connection with a scheduled presentation made to the Board by a speaker at the lectern. Please be respectful and refrain from

clapping, applauding, heckling or verbal outbursts in support of or opposition to a speaker or his/her remarks.

A complete list of public participation and decorum rules, meeting information, archived meetings and webcasting can be found at www.pinellascounty.org.

3 PowerPoint or Video Presentations

Requests and presentation materials must be submitted to the agenda coordinator in the County Administrator's office by the close of business, five working days prior to the meeting. This time is needed for scheduling and technical preparation. Presentations are contingent upon approval of the Commission Chairman consistent with county policy for terms of submission (*). The maximum length of the entire presentation (verbal, video and/or PowerPoint) is three minutes and a **Citizen Comment Card** must be turned in to staff at the Staff Table prior to presenting. For public hearing items only, if the entire presentation is more than three minutes, the representative of a group consisting of five or more individuals who are present during the public hearing may speak on behalf of the group for up to 10 minutes at the Chairman's discretion. To do so, the individuals must have waived their time to the representative by providing their information on the back of a **Public Hearing Comment Card**. PowerPoint presentations must be submitted in presentation format (.pptx). All presentations will be reviewed and submissions that violate copyright or trademark laws will not be permitted.

**Terms of submission: Any submission for publication by Pinellas County shall not contain any abusive, profane, inflammatory, obscene or racist language in accordance with FCC regulations; nor may submissions solicit, promote or discuss any commercial product or activity not currently under consideration by the commission.*

4 Consent Agenda

The Consent Agenda consists of a group or series of routine items for the commission's vote. Generally, all items on the Consent Agenda are approved by the commission in one motion.

5 Regular Agenda

The regular agenda is presented by department subject matter, as the commission considers each item individually.

6 Work Session Meetings

Work sessions are scheduled as needed, usually on the Tuesdays when no Board of County Commissioners regular meeting is scheduled. Work sessions address specific subjects of particular interest to the commission and are usually held in the fifth floor Assembly Room of the Pinellas County Courthouse. These meetings are generally shown live on PCC-TV and can be accessed through the county's website. Meeting agendas and supporting documentation for the work sessions are usually available to the public on the Thursday before the scheduled meeting. Agenda copies are available from Board Records (located on the fifth floor of the County Courthouse) and in the Assembly Room.

Citizens are invited to share comments with the commission related to the agenda items during work session meetings. Each speaker must fill out a **Citizen Comment Card** and submit it to the staff at the Staff Table. Remarks may be up to three minutes at the Chairman's discretion. Public participation and decorum rules apply.
