**Pinellas County Board of County Commissioners  
2016 Legislative Program**

**I.) State Legislative Program**

**A.) Priority Issues**

<b>Issue</b>	<b>Position</b>
Article V Court Funding	Support eliminating the requirement that counties increase certain court expenditures by 1.5 percent over the prior county fiscal year. Support increasing the service fee charged for recording documents and instruments from \$4.00 to \$8.00, so that \$6.00 of the fee is distributed to help fund court-related technology needs. Support legislation giving counties more flexibility in the use of the funds generated by the discretionary \$65.00 cost on criminal and traffic cases
Backyard Gun Ranges	Support legislation to close the backyard gun range loophole and allow local law enforcement to prosecute individuals who dangerously discharge firearms.
Beach Nourishment	Support the continuation and increase of funding for beach nourishment projects.
Building Permits	Support legislation allowing homeowners acting as their own contractors to pull online permits for additional projects instead of having to appear in person.
Defense Contractor Incentives	Support legislation that makes incentives for defense contractors an outright reward. Currently state dollars may offset federal incentives.
Department of Juvenile Justice	Support allowing counties to pay actual detention costs on a monthly reimbursement basis. Support appropriations to cover the overbilling by DJJ, resulting in \$8 million currently owned to Pinellas County and over \$130 million owed statewide.
Energy Policy	Support the development of a statewide energy policy.
Entertainment Tax Credit Incentives	Support funding for entertainment tax credit incentives. On- location and indigenous commercial, film, and media production generates over \$25 million per year in Pinellas County.
Expunging of Juvenile Records	Support efforts to lower the age for expunging juvenile records for non-habitual or serious offenders
Healthcare Expansion	Support efforts to expand healthcare in Florida and draw down federal resources to expand Medicaid eligibility.
High Impact Veteran County	Support legislation establishing a “High Impact Veteran County” designation that allocates state funds to hire Veterans Service Officers in designated counties to increase services and federal benefits for Florida veterans.
High Prescriber Database	Support legislation that requires physicians to input data into the state monitoring database rather than leaving it as a voluntary program.
Homelessness Funding	Provide a steady source of state funding for homelessness issues that is not subject to the annual appropriations process.
Low Income Pool	Support continued partnership with the federal government to provide funding for healthcare through the Low Income Pool program.
Medicaid Dental Care	Support legislation to incentivize participation by the dental community.
Medicaid Managed Care	Support continued efforts to work through Medicaid reform initiatives to ensure timely and full payment cycles for providers.
Open Carry	Oppose any efforts for open carry of firearms
SHIP/SAIL (Affordable Housing Trust Fund)	Oppose money from the Sadowski Affordable Housing Trust Fund being used for any purpose other than housing.

**B.) Appropriations**

\$6 million for the construction, fixtures, furniture and equipment for a small business incubator on land provided by the City of St. Petersburg and with County match funding from the upcoming sale of the STAR Center. In addition, the County will be pursuing a federal Economic Development Agency grant. The project will lead to the creation of new high-wage primary employers in the Tampa Bay area.

Support the Florida Institute for Oceanography’s appropriation request for the R/V Bellows research vessel based out of St. Petersburg and utilized by universities from across the state.

**C.) Monitoring Issues**
