We need term limits for the County Commission. During the last review process, the Commissioners on the Review Commission killed this idea. Pinellas is the only local government in the area with commissioners-for-life, and it's high time that changed.

Please consider adding term limits to your work.

The Charter Review Commission website is not very timely lately as far as posting meeting minutes - either separately in the prior minutes tab, or as part of the agenda of an upcoming meeting.

As an example, today is 4/30/10 and I'm looking for the minutes of the 4/13/10 meeting. I would have expected to at least see it included in the "view materials" of the agenda of the 4/26/10 meeting on the website - but nothing.

Thanks for your attention in this matter.

### RESPONSE & REPLY

Mr. Green,

Thank you for your interest in the Charter Review Commission. The minutes are generally part of the agenda for the upcoming meeting. Unfortunately, due to an unexpected medical leave, the April 13th minutes were not available prior to the meeting.

If you have any questions about a particular item, please let me know and I will have the CRC Consultant contact you.
