Nature of Work

This is responsible professional work coordinating projects with staff to implement human resource (HR) processes and programs of the Pinellas County Unified Personnel System (UPS). An employee performs as a lead worker responsible for planning and coordinating other professional and technical staff to implement complex human resource programs in one or more major HR activities and program areas. Emphasis is placed on relieving the senior managers of professional level assignments, special projects, and important policy or management level assignments to ensure delivery of timely services and strong departmental communications. Work may involve leading, training, and coordinating with other staff in the development, implementation, and administration of major human resource programs, conferring with appointing authorities and department managers on human resource administration, as well as assisting with the research or development of policies and procedures consistent with the UPS. The incumbent makes decisions and prepares reports, and makes recommendations on important policies and programs. Work is performed with considerable independent judgment and initiative. The incumbent reports to the Director, HR Manager, or designee.
