Slide 1: Welcome to Two-Minute Tuesday. I'm Carol Strickland. Today our topic is employee discounts with YouDecide.

Are they screaming because they are on a flying roller coaster going head-first face-down or is it because they didn't get a great deal on their Sea World tickets from YouDecide? We will let YOU DECIDE!

Slide 3: Pinellas County employees have access to a free discount program called YouDecide. There is no cost to employees and actually no cost to the County either. Begin by registering. It's easy! Find the link on the Pinellas County Human Resources website at pinellascounty.org/hr. Click on Benefits, scroll down to Other, to Employee Discounts. Then when you're on that page, scroll down to the [YouDecide link](#).

Slide 4: Once there, you can register by creating a username and password and entering information to verify that you are with Pinellas County.

Slide 5: You can view discounts by category such as apparel, auto, beauty; or by company name. To do that, click on Deals & Discounts at the top and Show All on the side and you'll see a long list of companies offering discounts.

Slide 6: Theme parks are probably the most popular discount used by our employees. Next time you're heading out to Orlando or Busch Gardens, first check YouDecide. The specials will vary but right now YouDecide is offering deals to save: 30% on SeaWorld tickets as shown here, 20% on Busch Gardens and 35% on Legoland.

Slide 7: There are also discounts on rental cars. Recently an employee got a car for a trip to New England, and said the rate she got from YouDecide was "far and away the best."

Slide 8: There are also cell phone discounts for companies such as AT&T Wireless, Sprint and Verizon Wireless. For example, employees can save 15% on a Verizon Wireless plan.

Slide 9: One employee used YouDecide to buy an HP computer and was able to "build" a customized computer to her own specs and budget. She reported getting a terrific deal.

Slide 10: For \$10, you can purchase a \$25 gift certificate to various local restaurants.

Slide 11: You can save up to 35% off regular prices for pre-paid movie tickets.

Slide 12: You can get discounts on ordering flowers, plants or gift baskets.

Slide 13: You can get deals on memberships from local gyms such as Gold's, Anytime Fitness, Bally, Curves, and Shapes.
