## Alligator Lake Management Area and Mobbly Bayou Preserve

Pinellas County is planning two major projects this summer to restore important ecological areas to their natural state. Find out about this important work at one of two public meetings hosted by the county's Environmental Lands Division of the Department of Environmental Management.

### Alligator Lake Management Area

Open House

Tuesday, July 14, 2009

5:30 to 7:30 p.m.

Safety Harbor Public Library  
101 Second St. N., Safety Harbor

### Mobbly Bayou Preserve

Open House

Thursday, July 16, 2009

5:30 to 7:30 p.m.

Bicentennial Recreational Center  
423 Lafayette Blvd., Oldsmar

The Environmental Lands Division is the conservation steward of Pinellas County's four preserves and 15 management areas. These wild areas include nearly 16,000 acres of protected lands and waterways throughout the county along with a rich diversity of native plant and animal life.
