Building a Better Pinellas
From roads and bridges to neighborhood parks, the Penny for Pinellas supports investments that matter most to our citizens. Pinellas County voters will decide on the renewal of the Penny on Nov. 7, 2017.

Penny Facts:
- Funds only long-term capital infrastructure projects that support our local community
- Shared between the County and our 24 cities
- Not a new tax; the Penny has been in effect since 1990
- Only applies to the first $5,000 of a single purchase
- All Penny funds are collected in Pinellas and stay in Pinellas

How Would the Penny be Invested?

- Roads, Bridges & Trails
  Lanes, intersections, bridges, sidewalks and multiuse trails

- Water Quality, Flood & Sewer Spill Prevention
  Enhance water quality, prevent sewer spills and reduce neighborhood flooding

- Safe, Secure Community
  Fire stations, law enforcement vehicles, emergency shelter space and other public safety projects

- Community Vitality
  Libraries, community and recreation centers and land to develop housing that’s affordable

- Preserving Parks & Our Environment
  Renovations and enhancements to park facilities and preservation of environmental land
