## Project Overview

Pinellas County Public Works, through the county's Capital Improvement Program, is making sidewalk improvements on 22<sup>nd</sup> Avenue S., from 51<sup>st</sup> Street S. to 34<sup>th</sup> Street S. connecting Gulfport and St. Petersburg. The project consists of the design and construction of ADA-compliant sidewalks to complete the sidewalk network on both sides of the roadway.

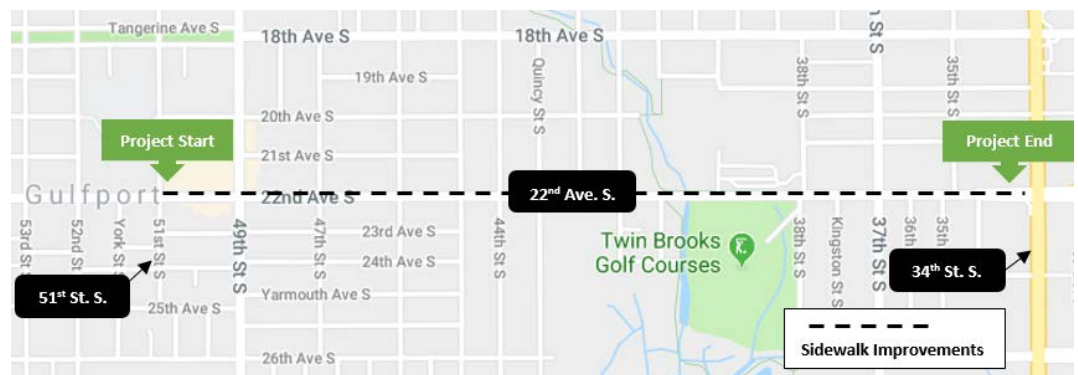

The new sidewalk will be five feet wide on the south side and eight feet wide on the north side of 22<sup>nd</sup> Avenue S. Easements will be necessary for the construction of some segments of the new sidewalk due to limited right-of-way. Additionally, driveway and drainage modifications will be made as required.

During the time of design and construction, the 22<sup>nd</sup> Avenue S. corridor is being studied from a "complete streets" perspective to further enhance pedestrian and bicyclist safety and increase connectivity throughout the community. The sidewalk portion is considered "Phase One" and future improvements to the corridor will be forthcoming based on the recommendation of the Complete Streets analysis.

## Project Schedule – Next Steps

- Design Start: Spring 2018
- Design End: Spring 2019
- Easement Acquisition: Spring 2019
- Construction Start: Summer 2019
- Construction End: Spring 2020

*This project is funded by the Penny for Pinellas, the county's local infrastructure sales tax.*
