## Project Overview

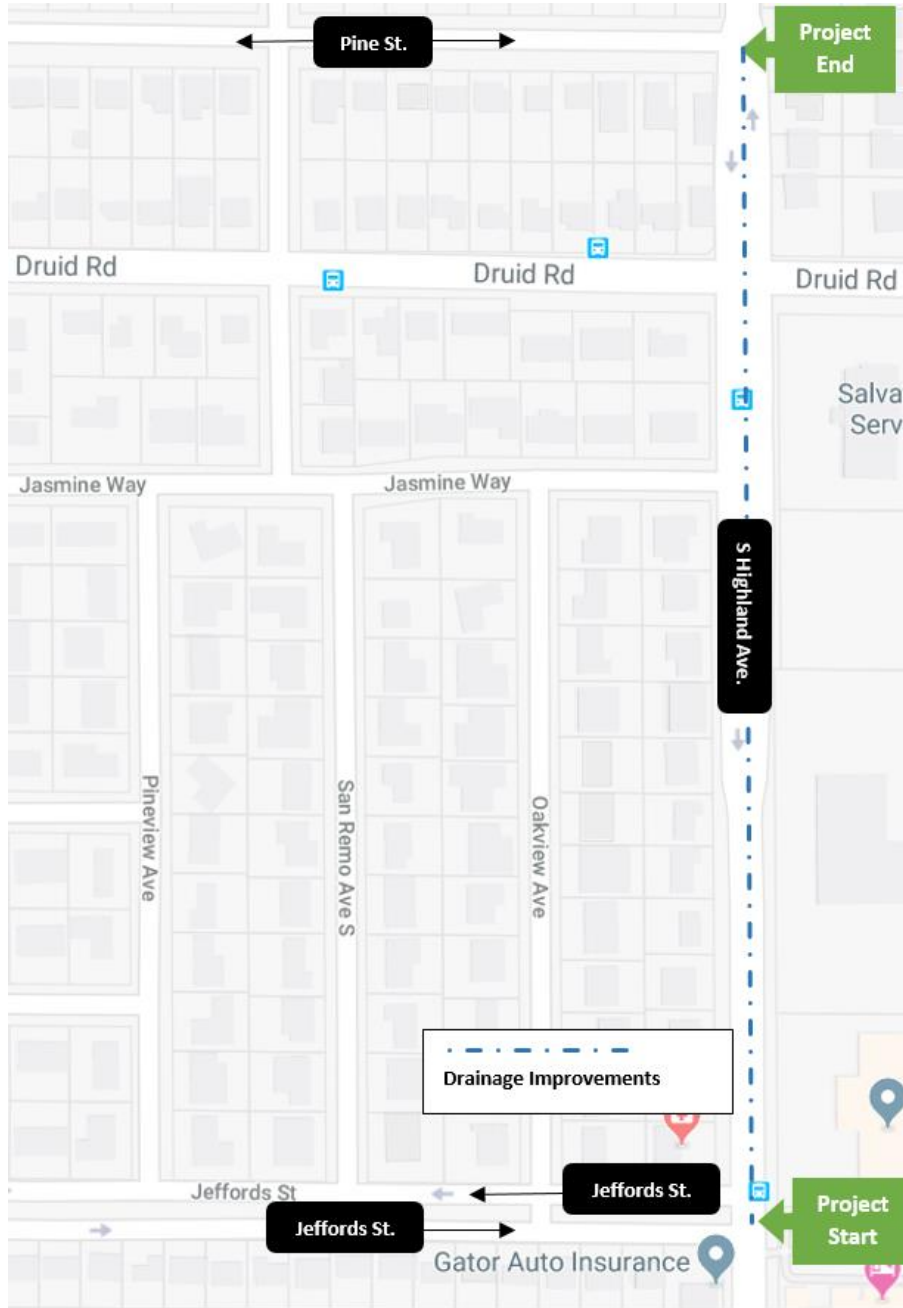

Pinellas County Public Works, through the County's Capital Improvement Program, is making drainage improvements on both sides of S Highland Avenue, from Jeffords Street to Pine Street in Clearwater. The project consists of replacing an existing in-ground exfiltration system on the west side of S Highland Avenue that is no longer functioning. In addition to the replacement of the exfiltration system, the existing corrugated metal pipes will be replaced with reinforced concrete pipes.

## Project Schedule – Next Steps

- Design Start: Spring 2015
- Design End: Fall 2017
- Construction Start: Winter 2018
- Construction End: Summer 2019

*The project is funded through the Capital Improvement Program.*
