Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. If you need special accommodations under the Americans with Disabilities Act, or require translation services (free of charge), please call (727) 464-4062 (VOICE/TDD) at least seven days before the meeting.

Meeting Overview

Pinellas County is hosting a project information meeting on Thursday, Dec. 19, 2019, to provide information regarding Florida Fish and Wildlife Conservation Commission's (FWC) Lake Tarpon Aquatic Plant Management Program and the ongoing Pinellas County Lakeshore Estates Roadway and Drainage Improvement Project. Representatives from the County and FWC will be available to answer questions.

Public Involvement

The purpose of the community meeting is to update you on the Lakeshore Estates Roadway and Drainage Improvement project, make you aware of the ongoing aquatic plant management on Lake Tarpon, inform you how to apply for an aquatic plant management permit through FWC, and obtain any feedback you may have. We encourage your participation in the meeting. If you cannot attend the meeting, please feel free to contact us via the email address or phone number listed to the left, referencing the meeting name above.

See page 2 for open house location map.
