

December 2018 Update

Belcher Road at Gulf to Bay PD&E Study Reevaluation

Project Overview

Pinellas County Public Works is conducting a Project Development and Environmental (PD&E) Reevaluation Study on the evaluation of operational and safety improvement alternatives for the intersection of Belcher Road and Gulf to Bay Boulevard in Clearwater.

The study documents the requirements for preliminary design, including existing and predicted conditions, typical sections, right-of-way requirements, environmental impacts and costs of alternatives. The study evaluates innovative intersection types in addition to conventional intersection types. Meetings with citizens and various stakeholders will be held to vet the alternative concepts.

Project Schedule – Next Steps

- Preliminary Engineering Analysis Completion: June 2019
- Design: To be determined upon completion of study
- Construction: To be determined upon completion of study

This project's preliminary engineering analysis is funded through the Penny for Pinellas, the county's local infrastructure sales tax.

Project ID# 002540A

Project Location

Belcher Road at Gulf to Bay Blvd., Clearwater
