

September 2018 Update

# Haines Bayshore Road Sidewalk Improvements

## Project Overview

Pinellas County Public Works, through the county's Capital Improvement Program, is making sidewalk improvements on Haines Bayshore Road in Clearwater. The project consists of the design and construction of ADA-compliant sidewalks, curb ramps, and driveways.

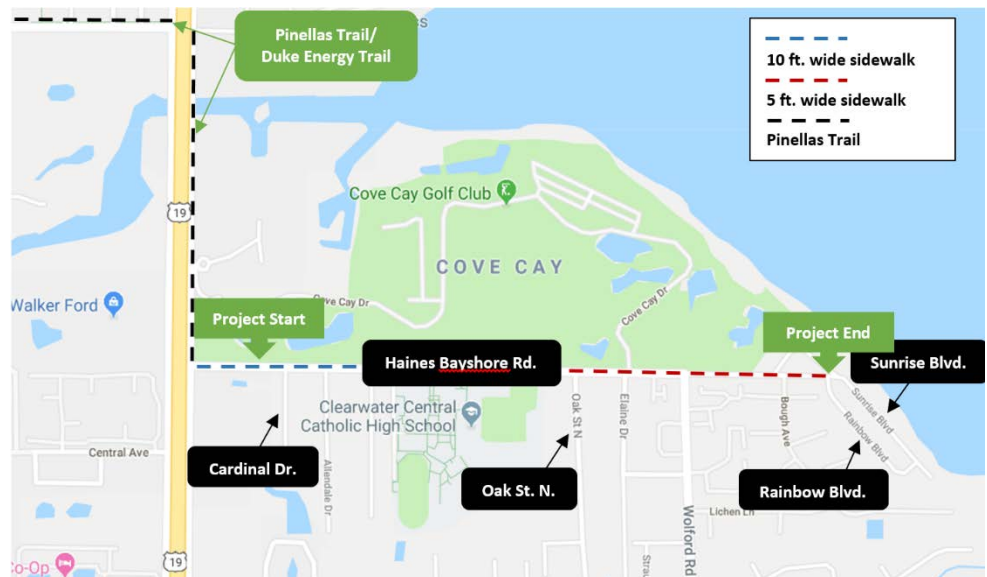

The project will provide an unpaved shoulder and sidewalk along the south side of Haines Bayshore Road. The sidewalk will be 10-feet wide from west of Cardinal Drive to the western entrance of Clearwater Central Catholic High School, and 5-feet wide from Oak Street N. to Sunrise Boulevard. The existing drainage ditch will be closed and piped to construct the sidewalk within the right-of-way.

Once completed, connectivity between the residential neighborhoods, Clearwater Central Catholic High School and the Pinellas Trail/Duke Energy Florida Trail will provide a safe pathway for pedestrians and bicyclists.

## Project Schedule – Next Steps

- Design Start: Winter 2015
- Design End: Winter 2017
- Construction Start: Summer 2018
- Construction End: Fall 2018

*This project is funded with a federal grant through the Florida Department of Transportation's Local Agency Program (LAP).*

Haines Bayshore Road Sidewalk Improvements Project Area

**Project ID#** 002102A

## Project Location

Haines Bayshore Road, from the Pinellas Trail to Rainbow Boulevard, Clearwater
