Project Overview

Pinellas County Public Works, through the county's Capital Improvement Program, has designed and is constructing sidewalk improvements on Indian Rocks Road in Largo to enhance pedestrian safety. This project is a continuation of sidewalk improvements, either previously constructed or under construction, from Walsingham Road to Church Creek. The project objective is the design and construction of ADA compliant sidewalks, curb ramps, driveways, and an 8-foot shoulder along the east side of Indian Rocks Road. Drainage improvements will also be completed to accommodate the new construction and address identified maintenance issues.

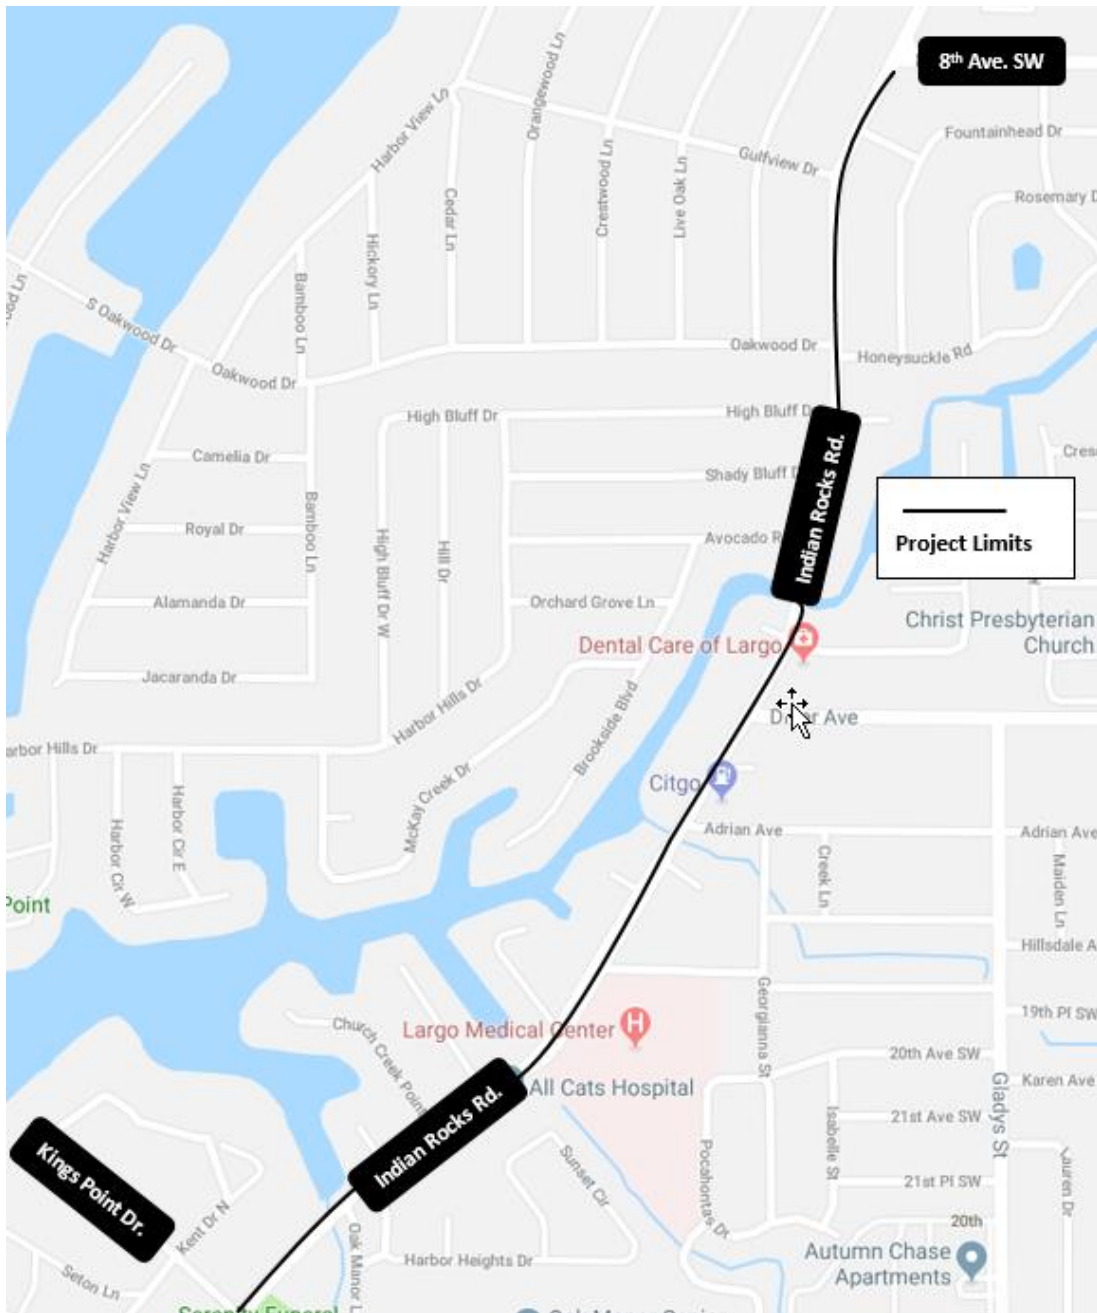

Project Schedule – Next Steps

- Design End: May 2019
- Construction Start: December 2019
- Construction End: May 2021

This project is funded through the Penny for Pinellas program, the county's local infrastructure sales tax.
