

December 2018 Update

Indian Rocks Road Sidewalk Improvements Phase 2A

Project Overview

Pinellas County Public Works, through the county's Capital Improvement Program, has designed and is constructing sidewalk improvements on Indian Rocks Road to provide safer pedestrian and bicycle facilities. The project objective is to improve the roadway shoulder and sidewalk of the roadway from Wilcox Road to Church Creek in Largo. Also included with this project are drainage improvements associated with the shoulder and sidewalk modifications.

This project enhances multi-modal transportation within Pinellas County. The addition of paved shoulders will accommodate bicyclists, the sidewalk provides a facility for pedestrians and an updated bus landing will be used by bus passengers.

Project Schedule – Next Steps

- Design Start: Complete
- Design End: Complete
- Construction Start: March 2019
- Construction End: October 2019

This project is funded through the County's Capital Improvement Program.

Project ID# 003128A

Project Location

Indian Rocks Road, from Wilcox Road to Church Creek, Largo
