## Project Overview

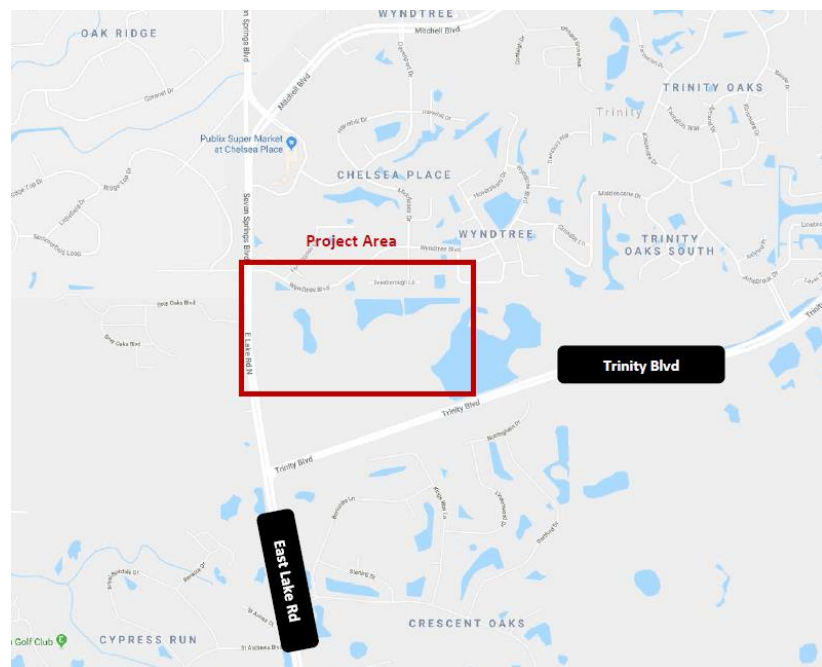

Pinellas County Parks and Conservation Resources is developing a passive park located east of East Lake Road in northern Pinellas County. This park will consist of a 25 space parking lot, restroom facility, picnic shelter, two fishing/wildlife observation platforms and a canoe/kayak launching area.

The project will run through the design phase and a construction date will be determined through the development of future Capital Improvement Programs.

## Project Schedule – Next Steps

- Design Start: November 2018
- Design End: February 2020

*This project is funded through the Local Infrastructure Sales Tax (Penny for Pinellas) Culture and Recreation, Countywide Parks Project Program allocation.*
