

September 2018 Update

# Park Boulevard Sidewalk Improvements

## Project Overview

Pinellas County Public Works, through the county's Capital Improvement Program, is making sidewalk improvements along Park Boulevard N. (CR 694) from east of Starkey Road to West of 66<sup>th</sup> Street within the cities of Seminole and Pinellas Park.

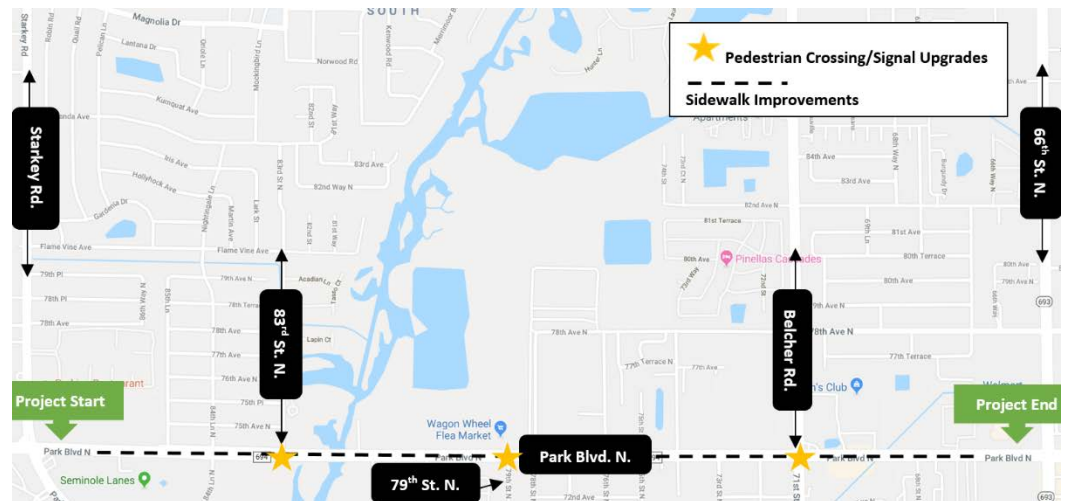

To enhance pedestrian safety along the roadway, broken sidewalk will be replaced and the existing sidewalk will be upgraded to be ADA-compliant. Modifications will be made where the sidewalk intersects existing driveways, and curb ramps will be improved.

The project will further improve pedestrian accessibility by making upgrades to: the existing mid-block pedestrian crossing at 79<sup>th</sup> Street N. (at the Wagon Wheel Flea Market) with the installation of a full pedestrian signal; the existing sidewalk on 74<sup>th</sup> Avenue (Frontage Road) along with the addition of designated parking lanes; and the existing pedestrian signals where Park Boulevard intersects with 83<sup>rd</sup> Street N. and Belcher Road.

## Project Schedule – Next Steps

- Design Complete: Summer 2018
- Construction Start: Spring 2019
- Construction End: Spring 2020

*This project is funded with a federal grant through the Florida Department of Transportation's Local Agency Program (LAP).*

Park Boulevard Sidewalk Improvements Project Area

**Project ID#** 001512A
