Project Overview

Pinellas County Public Works, through the County's Capital Improvement Program, is making roadway and sidewalk improvements along Sunset Point Road, from Edgewater Drive (US Alternate 19) to the Pinellas Trail, in Clearwater. Sidewalk will be constructed along the north side of the road beginning at Edgewater Drive then connecting to the Pinellas Trail. Sidewalk will also be constructed on the south side of Sunset Point Road beginning at Stevenson Avenue to the Pinellas Trail.

In addition to providing pedestrian connectivity between Edgewater Drive and the Pinellas Trail, the roadway will be partially reconstructed to smooth out the curves and provide a safer and more drivable road.
