TO: ALL INTERESTED PROPOSERS

REQUEST FOR PROPOSAL: Park Boulevard CR 694 Sidewalk Improvements (LAP) –
Professional Engineering Services

PROPOSAL NUMBER: 156-0018-NC (SS)

PROPOSAL SUBMITTAL IS DUE: March 17, 2016 @ 3:00 P.M.

ADDENDUM NO. 1

Following is additional information, clarifications, questions and responses relative to referenced Request for Proposal (RFP):

QUESTIONS:

1. Question: I did not see any prequalification requirements for the consultants in the RFP. Are consultants and subconsultants required to be pre-qualified with FDOT for particular FDOT workgroups? What workgroups (3.1, 7.3, 8.1, 8.2, etc.)?
Response: Per the Local Agency Program Manual, Chapter 18, the local agency may use its own consultant qualification process for projects located off the state highway system. This project is off-system.
2. Question: Is it a requirement to have the overall design team to meet the FDOT DBE goal of 9.91%?
Response: Per the Local Agency Program Manual, Chapter 14, the DBE goal of 9.91% is a continuing goal that supports the overall success of the program and not a mandatory requirement.
3. Question: Considering the project scope has relatively few specialties required, is it necessary to have at least 9.91% DBE participation?
Response: Please see response to question number 2 above.
4. Question: In the Submittal Requirements I did not see any page size requirements. Are pages limited to 8.5"x11" or can some 11"x17" pages be used (maybe folded to 8.5"x11")?
Response: Preference is 8.5" x 11".
