Following is additional information, clarifications, questions and responses relative to referenced Request for Proposal (RFP):

QUESTION(S)/RESPONSE(S):

1. Question: On page 13 of 26 of the RFQ document it notes that the overall page count is to be limited to 100 pages. The RFQ then allows for 50 pages for Tab 1 – Standard Form 330 and 50 pages for Tabs 2 – 6. However, there is no page restriction for the Introduction Tab. Can you please clarify if the information contained with the Introduction Tab is outside the 100 page limit?

Response: The entire submittal should not exceed 100 pages. Each Proposer should choose how to use the allotted 100 page limit.

All other specifications, terms and conditions remain the same.

Please remember to acknowledge receipt of this Addendum in Section **G**, Page 25 under Addendum No.1 and return with completed proposal package.

Sincerely,
