

# Pinellas #3 Reef

Reef features: 

- Pinellas County Utilities has a permit to build a new reef site approximately 39 miles west of Clearwater Pass in 130 feet of water.
- The deep water will allow sinking of larger vessels and decommissioned military ships.

GPS Coordinates:

| Item            | Latitude       | Longitude       |
|-----------------|----------------|-----------------|
| center location | 27° - 53.000 N | 083° - 35.000 W |
