

St. Pete Beach Reef

GPS Coordinates:

Reef features:

- Some anglers consider this reef one of the best fishing spots in southern Pinellas County.
- Located five miles from Passe-A-Grille entry
- Concrete bridge materials from the Old Corey Causeway and Skyway Bridge formed the reef's foundation in 1976
- 200-foot barge located 50 feet east of the reef's center (sunk in 1984)
- Features ten obsolete U.S. Army tanks (sunk in 1995)

Item	Latitude	Longitude
center location	27° - 40.600 N	082° - 51.750 W
