

Facility Tours

Solid Waste Operations

3095 114th Avenue North
St. Petersburg, FL 33716

- ◆ Tour Pinellas County's award-winning integrated solid waste disposal facility. The tour includes [one of the largest waste-to-energy facilities in the world](#), the sanitary landfill, and special recycling operations.
- ◆ Tours are available Monday – Friday from 9 am – 3 pm. Tours on Wednesday do not include the Household Electronics & Chemical Collection Center, which is closed that day.
- ◆ Students receive educational materials. Teacher guides are provided including tour guide answers and background information. Teachers may request a video and educational materials ahead of time.
- ◆ Vans or buses owned by schools or organizations are allowed on site for larger groups. **Free bus transportation** to and from Solid Waste Operations is available for school groups.

For more information or to schedule a tour, call [\(727\) 464-7500](tel:(727)464-7500).

Utilities Laboratory and Logan Pumping Station

1620 Ridge Road
Largo, FL 33778

- ◆ Tour the [Utilities water quality laboratory](#), and see how water is tested for microbes, metals, organic, and inorganic compounds. Tour the [microbiology](#), [metals](#), [wet chemistry](#) (inorganic) and [chromatography](#) (organic) sections of the lab. Observe routine tests in progress for drinking water and other water such as reclaimed water and surface water.
- ◆ Visit the [pump station](#) where you can see the pumps that help distribute drinking water through the distribution system to your home.
- ◆ Closed shoes and shirts with sleeves are required. Safety glasses will be provided to tour groups for the lab tour.
- ◆ Tours are offered Monday through Friday (subject to laboratory schedule) from 10 am – noon and 1 pm – 4 pm.
- ◆ Tour groups are limited to 40 or less. Tours may be modified to fit the tour group. For everyone's benefit, behavior conducive to safety is a must!

For more information or to schedule a tour, call [\(727\) 464-3896](tel:(727)464-3896).
