

Clean Out Your Garage...

And Help the Environment!

Bring your old fertilizers, cleansers, computers, TVs and more to an upcoming mobile collection! **FREE** to residents, all collected items are recycled or disposed of properly in order keep these toxic wastes out of our waste stream. Businesses pay a nominal fee. Look for a **Household/Business Electronics and Chemical Mobile Collection** near you!

- K-Mart, 3951 34th Street South, St. Petersburg

For a complete listing of mobile collections or for more information, please call **727-464-7500** or visit www.pinellascounty.org/utilities.

Want A Healthy Lawn?

Two of Four Healthy Lawn Tips

Establish a Deep, Drought-Tolerant Root System

- Apply a half inch of water to established plants and grass, and
- irrigate less frequently.

>>>> TIP Raise the mowing height of your lawn mower. The taller

height will promote a deeper drought tolerant root system.
