**Narratives****Areas of Greatest Need:**

Pinellas County communities are experiencing high volumes of foreclosed and abandoned properties. Based on data provided by HUD and additional analysis conducted by the County, several areas are experiencing high risks of abandonment, high concentrations of subprime loans, and high predictions of additional foreclosures. Current foreclosed and abandoned properties, and the risk of additional properties being foreclosed or abandoned, are causing blighting conditions that are leading to declining home values.

**Distribution and and Uses of Funds:**

Pinellas County will use NSP funds to acquire the properties in areas experiencing the greatest risks of abandonment, the highest concentrations of subprime loans, and at the highest risk of additional foreclosures. These steps will help stop the blighting influence these properties are having in our communities and slow down the decline in home values.

## Overall Progress Narrative:

Since program inception, Pinellas County has acquired 23 foreclosed single family houses. Eleven (11) houses have been sold through the Acquisition Rehab Program. Two (2) houses are currently being renovated and ten (10) houses have been demolished through the Demolition Program.

Additionally, NSP funds were used to acquire and rehabilitate a 36-unit, multi-family property through the Rental Program. Following acquisition, the apartment complex, known as Boardwalk Apartments, was conveyed to a land trust established by the Housing Finance Authority of Pinellas County. Subsequently, the buildings were leased to Contemporary Housing Alternatives of Florida, Inc. (CHAF), a designated CHDO. The long term, 99 year ground lease will insure that the property remains affordable long-term. A comprehensive renovation project was completed which included new roofing, window, HVAC systems, interior renovations, and energy efficiency improvements. Lease up is complete and the property is fully occupied.

Pinellas County committed \$100,000 to a rental housing rehabilitation project known as Sunrise Apartment located in Tarpon Springs, FL. A total of 36 units will be acquired and rehabilitated. As a result of the NSP1 funding provided, 11 units will be income restricted for households with an income level below 50% of AMI. Construction on the project was completed in June, 2013. Full Lease-up has been reached.
