

Protected at the Pump?

Pumps must have one of the following:

Visible

Pressure-sensitive security tape over panel opening.

Not Visible

A device or system that encrypts customer payment card information in the scanning device.

In doubt?

Ask the gas station attendant or call the Florida Department of Agriculture & Consumer Services at **(800) HELP-FLA (435-7352)**.

A device or system that will render the pump inoperable or set off an alarm if the panel is opened.

Other security measures are permissible as long as they are approved by the Dept. of Agriculture & Consumer Services.
